

Court of Appeals, State of Michigan

ORDER

In re Guardianship of Carlyle T Russell

Docket No. **353924**

LC No. **17-135830-GA**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because it was not timely filed. MCR 7.204(A)(1)(a). Under MCR 7.204(A)(1), an appeal of right must be filed within 21 days after entry of the order being appealed from or within 21 days after entry of an order deciding a timely motion for post-judgment relief.

In this case, the register of actions indicates that the order appealed from was entered on March 10, 2020, no motion for post-judgment relief was filed, and the appeal was not filed with this Court until June 24, 2020. Applying the deadline-suspension provisions of Administrative Order 2020-4 and Administrative Order 2020-8, the time for filing a claim of appeal of the March 10, 2020 order ended on June 15, 2020.

Dismissal is without prejudice to the filing of a late appeal under MCR 7.205(G), provided such a filing meets all requirements under the court rules and is not time-barred.
